MONROE PIZZA & PINTS

YOUR HOMETOWN SPOT FOR FOOD AND BEER

Here's what you get when you choose Monroe Pizza & Pints. . .

The team at MPP prepares dough, marinara, salad fixings and dressings, wing sauces, and vegetables fresh for you every day!

We love our family recipe marinara and make it sugar-free so it tastes better and is healthier for you. Using just four ingredients, we offer an authentic Italian gravy that complements our pizzas, calzones, stromboli, and pastas.

Our dough is made from scratch, in-house using a unique MPP recipe. We hand-stretch and slap our dough skins for every order and most of our pizzas are served on a hand-tossed crust.

When it comes to cheese, Grande is the best on the market and we are very proud to be part of the Grande Cheese restaurant family! Made with natural ingredients and packaged with no anti-caking agents, chemical preservatives, or additives, Grande mozzarella and ricotta cheeses are creamy, full-flavored, and unrivaled in taste and quality.

For our low-carb, gluten-free, or vegan guests, we carry vegan cheese and a plant-based pizza topping, as well as a wide variety of vegetables and several sauce options to meet your needs. And even though our house dough is not dairy-free, we offer vegan, gluten free, or cauliflower crust options.

MPP's chicken and steak is cooked especially for us by the chefs at Lewis & Main and our double chocolate cake is baked in the Sky River Bakery. Both eateries are located right here in downtown Monroe and we are proud to create meals together!

Buying from your hometown pizza spot is an investment in your community! MPP owners and staff proudly support Monroe's local service systems like charities, community events, senior services, schools, first responders, and other Monroe organizations as we work to uphold our business values and mission!

Plant-Based Menu
